MEMORANDUM FOR THE RECORD

25X1

SUBJECT: Debriefing of [redacted]

1. On 12 March 1956, the Subject, an Office of Communications employee originally scheduled for Base "B" assignment, was Security debriefed by the undersigned.

2. This debriefing was occasioned by Subject's expressed desire to be relieved of further duty since he has spent 5 out of his 9 years with CIA overseas and does not desire another tour of duty at this time.

3. Subject was informed that his separation from Project AQUA-TONE does not, in any way, release him of the obligation to safeguard all information which has been furnished him, i.e., project existence, its mission, equipment and capabilities. Subject stated his thorough understanding of the personal responsibilities involved and assured the writer that this confidence would not be violated at any time during his future activities.
